Responsible to:	Service Manager
Responsible for:	Not applicable
Location:	Our office in Battersea Library or Roehampton, with home working possible following induction and initial training

About us

We're a thriving advice organisation that is part of the national Citizens Advice network. We provide information, advice and casework support to around 10,000 people a year. Our services are delivered by a team of around 40 paid staff and 60 volunteers and in our last annual survey 98% of our team recommended us as a good place to work. We have a typical annual turnover of £1.6m and in addition to our core advice service, funded by Wandsworth Council, we have a range of projects funded by trusts, foundations, and our local Integrated Care System.

While we're proud of our services and the number of residents we support we recognise that we can't meet local demand for advice. Because of this we place equal value on preventative work, local advocacy, collaboration, capacity building and partnership development.

About the project

In response to the cost of living crisis, Wandsworth Council are funding us to deliver an advice project that supports residents with financial issues. This is a 12-month project with the possibility of funding being extended.

You will be part of a cost of living team made up of two assessors, two advisers and a caseworker/supervisor. This team will manage a dedicated helpline and will also work alongside our existing projects and services, which are already seeing a large number of clients affected by cost of living issues. The project will offer holistic advice, responding to immediate need and hardship as well as working to find long-term solutions. The team will offer advice about a range of issues, including benefits, debt, budgeting and energy efficiency schemes, and there will

be an opportunity for team members to shape the service offered. This project will also involve working in partnership with council officers, co-locating, offering training about basic advice issues and taking referrals directly from them.

About the role

As the team's caseworker/supervisor you'll give clients in-depth advice and casework support, taking on more complex cases or clients who need more support. You'll also help support the project manager with supervision and case feedback.

This is a great opportunity for anyone who wants to develop into a management role as the majority of our Management Team are involved in frontline supervision and have an advice background.

Main duties and responsibilities

Advice and casework

- Provide generalist advice and casework by email, phone and face-to-face, covering the full range of subject areas as defined by the Advice Quality Standard.
- Ensure that all casework conforms to the Citizens Advice quality standards.
- Maintain case records for the purpose of continuity of casework, information retrieval, statistical monitoring and preparing reports.
- Work with our wider team and provide advice cover and support to colleagues when necessary.
- Ensure that all work conforms to our systems and procedures.
- Support the project manager by supervising and offering case feedback to other team members.

Project development and partnership management

- Support the project manager to mobilise the project.
- Contribute to team meetings and engage with discussions about developing, promoting and improving the project over time.
- Contribute to developing and maintaining great relationships with key partners such as council officers.

Administration

- Use IT for statistical recording of information relating to social policy and funding requirements, record keeping and document production.
- Ensure IT information assurance training is completed on an annual basis.
- Ensure that all work conforms to agreed systems and procedures.
- Provide statistical information as requested for reporting purposes on the number of clients and nature of cases.

Learning and development

- Keep up to date with legislation, policies and procedures and undertake appropriate training for gateway assessment.
- Identify own training needs and pursue appropriate professional development with the support of line manager.

Other duties and responsibilities

- Keep up to date with Citizens Advice aims, policies and procedures and ensure these are followed.
- Contribute to us being a positive working environment in which equity and diversity are well-managed, dignity at work is upheld and staff and volunteers can do their best.
- Assist with our research and campaigns work by identifying policy issues and raising these with the R&C team.
- Abide by our health and safety policy and share responsibility for own safety and that of colleagues.
- Carry out any other tasks that may be within the scope of the post to ensure the effective delivery and development of the service.
